EXT. 8-BALL CUE - PARKING LOT - NIGHT

BROOKE, 20s, college girl but not wild walks arm and arm with
6 Pher best friend, CHARLOTTE, 20s, classy blazer and pants.

BROOKE

I'm so glad you were able to get
off work in time.

CHARLOTTE

Well my best friend only turns 21
once.

Charlotte leans Brooke against the passenger side of the car.
She lifts the passenger side door.

BROOKE

You're so good to me. I love you.

CHARLOTTE

Yeah, yeah. Get in the car.

Brooke plops like dead weight in the passenger seat.
Charlotte closes the door, enters the drivers side and starts
the car.

EXT. FLORIDIAN ROAD - NIGHT 10 MINS LATER

BROOKE

Hey, someone gave me this book at
the party.

CHARLOTTE

Oh yeah, it was actually at the
apartment and I brought it over
when I left the house.

Brooke's tattoo, a snake coiled around a sword starts to glow
a mysterious neon green.

BROOKE

What the hell is that?

CHARLOTTE

What the fuck? Is your tattoo-

BROOKE

Yes, it's fucking glowing.

The gift emits the same color glow.

BROOKE (CONT'D)

Stop the car! Stop the car!

CHARLOTTE
Okay, hold on.

Charlotte pulls over onto to the side of this neighborhood street. Brooke bolts out of the car and rips open the gift wrap to find a book with the same symbol as her tattoo.

BROOKE
Who gave you this?

Charlotte shoots a puzzling glance at Brooke.

CHARLOTTE
It was just waiting at the house
when I got home. I brought it over.

The book lifts into the air. A beam of light in the shape of the tattoo drops onto Brooke's tattoo and tears a green ripple about 6 ft tall in front of them. A shockwave from the crevice knocks them backwards.

BROOKE
What in the Star Trek shit is this?

CHARLOTTE
Didn't you get that tattoo on your
birthday? What 3 years ago?

Brooke looks at the ripple, then back at Charlotte.

BROOKE
Yeah, why?

CHARLOTTE
You just got this book on your
birthday.

Brooke looks at the front page of her glowing book. It reads. COME HOME. Brooke shows it to Charlotte. Charlotte looks at it, then the ripple.

BROOKE
Okay hear me out.

Brooke grabs Charlotte and runs through the ripple with her.

INT. PHOENIX CASTLE - SENATE COUNCIL HALL - DAY

They arrive to an assembly of royalty staff on the other side. The staff wears emerald green, diamond encrusted garb. Charlotte and Brooke dust themselves off as they look at the strangers in front of them.

CHARLOTTE
Thanks for the warning!

BROOKE
You wouldn't have come, if I had asked. Plus I had a feeling about this place.

COMMANDER SHANE PATRICK, 50s, distinguished general in warrior garb walks up and bows before Brooke.

COMMANDER SHANE PATRICK
Your highness. It pleases me greatly to greet you.

BROOKE
Nope, no, whatever dream this is no. Get up, get up. My buzz is completely gone.

COMMANDER SHANE PATRICK
As you wish, Princess Renee.

Charlotte shoots a glance at Brooke.

CHARLOTTE
Whoa, Brooke. You said the only person that knows your middle name is-

BROOKE
My mother.

Brooke starts to look around the room they're in. She's walks around staring at the walls almost with familiarity.

CHARLOTTE
Brooke?

Shane dismisses the staff and approaches Brooke.

COMMANDER SHANE PATRICK
You have many questions.

BROOKE
Where is she? Is she here? In this place?

COMMANDER SHANE PATRICK
I do not have the authority to--

Brooke slaps the commander.

BROOKE
Is she here!

DELTA PHOENIX, 18, cocky kid in royalty garb, walks into the chambers.

DELTA PHOENIX
Wow. Are you laying down for this lass Shane?

BROOKE
Who the hell are-

Delta raises his hand in Brooke's

CHARLOTTE
Excuse you?

Charlotte steps in between Delta and Brooke.

DELTA PHOENIX
You're not even royalty on Earth sister, and yet you still have protection. No wonder you're next in line.

Charlotte looks back at Brooke. Brooke looks at Delta.

BROOKE
I don't have any siblings.

DELTA PHOENIX
That you knew about dear sister. You have much to learn.

Delta looks over at Shane.

DELTA PHOENIX (CONT'D)
Shane, please see this--

He shoots a look at Charlotte.

CHARLOTTE
My name is Charlotte.

DELTA PHOENIX
Quite right, yes. Please see Charlotte to her quarters.

Brooke gives Charlotte a look of assurance.

CHARLOTTE
Say the word and I'll find you.

Charlotte leaves with Shane while Delta stays with Brooke.

DELTA PHOENIX
Any of this look familiar yet?

Brooke looks around and shakes her head.

DELTA PHOENIX (CONT'D)
Well, you were 4 when you last
here?

Delta motions her over to the window. Brooke looks outside. She sees a beautiful Utopian courtyard. She sees a bridge that leads to the rest of the Phoenix empire. Delta places his hand around the tattoo and grabs hard.

BROOKE
Ow! What the hell are you-

The tattoo starts to glow. Brooke's starts to shake. Her eyes roll into her head. She blacks out.

INT. RENEE'S BEDROOM - NIGHT

Brooke watches a conversation between herself and her mother. QUEEN JESSICA PHOENIX, 30s, in matriarch garb speaks to RENEE, 4, cute in emerald pajama bottoms.

JESSICA
Oh honey. You're going to love this family I leave you with. They are going to take real good care of you.

RENEE
But I don't want to leave mommy.

Jessica wipes a tear from her eye.

JESSICA
Oh honey I don't want you to go. But it isn't safe here. There are some really bad people, The Obsidians are trying to invade our home.

RENEE
Why?

JESSICA
Because they travel to places that aren't there's and try to take them for their own.

RENEE
Will I ever see you again.

Jessica tucks in Renee.

JESSICA
When it is safe to come back. I'll
send you a way to get back.

RENEE
You promise?

JESSICA
I promise. I love you honey.

Brooke looks on as if a ghost watching a memory.

BROOKE
Mom!

A blinding green light shines through and then darkness.

INT. PHOENIX CASTLE - SENATE COUNCIL ROOM - DAY

Brooke sits up abruptly

BROOKE
Mom!
